Spring – Summer 2017

Purveyors of accessories and specialists in woven neckwear, Penrose London are partners with one of the oldest and last remaining silk weavers England and collaborate with some of the finest traditional manufacturers in both England and Italy; from weavers to highly skilled knitters and printers.

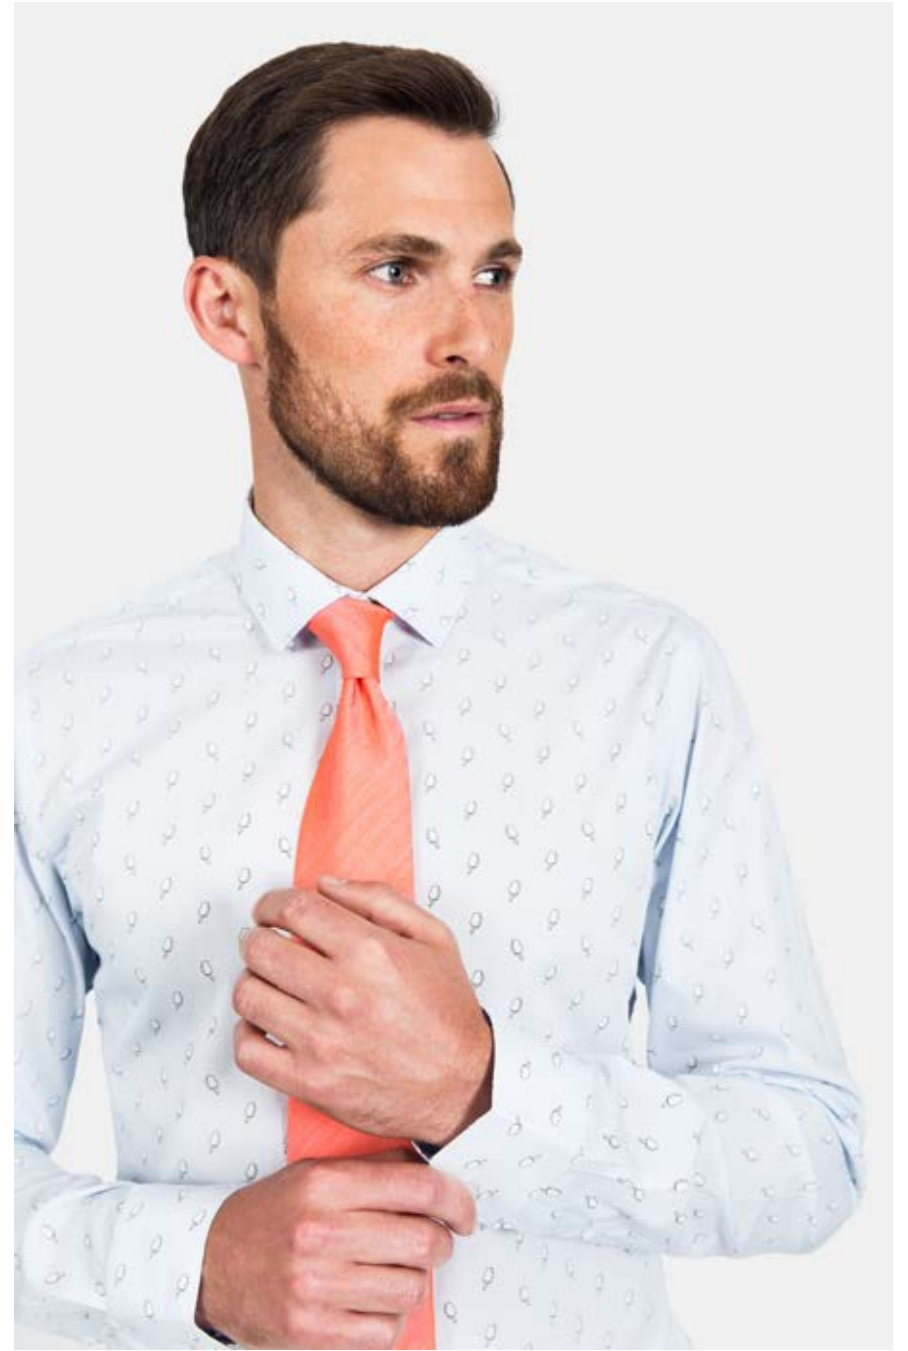

We believe that accessories are the art of dressing intelligently and are dedicated to working with the finest raw materials to offer the best product with no compromise. Our mission is to offer modern, urbane and beautifully elegant items for the discerning man.... and his partner!

Style is when they're running you out of town and you make it look like you're leading the parade — William Battie
